7th Infant Summer Celebration

Yr 4 & 5 to PGL

10th Return from PGL

Attendance

Best week ending
26.5.17

Sycamore

Best so far: Pine

Dear Parents and Carers,

Welcome back to the second half of the Summer term. We have lots to look forward to; District Sports, Sports Day, French and PGL trip, Summer Fete, Infant Summer Celebrations, Teddy Bears Picnic and the Summer Concert.

A reminder that this Monday we have class and team photos; if you have any kit at home, please bring into school.

Unfortunately, Mrs Bardwell will be absent from school for a couple of weeks, recovering from an operation. We wish her a speedy recovery!

Welcome to the world baby Albert Waterman! Mrs Waterman's baby was born on Sunday 28th May, five weeks early. He weighed 4lb 7oz and as you can see from the picture he is beautiful and healthy but needs to stay in hospital for a while. **Please will you pass on my thanks for all the lovely gifts, cards and messages. We have been really touched by people's generosity and Albert and I are looking forward to coming and meeting people in a couple of weeks when he is big enough to leave the hospital. Mrs Waterman**

Congratulations to Mrs Curness who got married during the half term holiday in Italy. She looked beautiful and had a wonderful time. Her new name is Mrs Cross.

Congratulations to Mr & Mrs Cross!

Sainsbury's Vouchers

Thank you for all your vouchers! We managed to collect 15,600 and we have ordered lots of new sports equipment.

FILL A JAR

For the Summer Fete this year the School Council will be running a 'Fill a Jar' Tombola. We would like every child to fill a jam jar or something similar with anything they like. You can fill it with sweets, hair bobbles, pamper items, small toys or use your imagination and come up with something unique. If you would like to decorate the jar, it will make it look even more tempting on the tombola stall. There will of course be a prize for the most creative in each class. Please do not bring your jars in until the week beginning 19th June. Lots of ideas if you google 'fill a jar'.

Perseverance Worship

Apple class showed us how they have been persevering with their jumping.

Pear class told us about things they had persevered with. They were persevering with swimming and riding a bike without stabilisers.

Lime class talked about times they had persevered. They recognised that you have to persevere to get better at something.

Pine class acted out the story of Joseph. Joseph showed great perseverance as he continued to do God's work. He was greatly blessed for all he did.

Beech class told the story of the little seed which through perseverance made a huge difference. We also shared examples of things we once found difficult and are now able to do.

Willow class reflected on events and activities from the past in which they had had to persevere.

Cherry class told us about Mary Jones who saved for 6 years to buy a bible.

Pentecost Day

Pear class really enjoyed learning about Pentecost. We made windmills, stained glass windows and kites.

Apple class made hats with hand flames, painting pine plates, fire collages working in groups.

Beech class had a fantastic time designing flame coloured stain glass windows. Inside which they placed their chosen symbols and words translated into many languages.

Willow class made mobiles that move in the air using symbols to represent Pentecost such as clouds, a three leaf clover for the Trinity, a rainbow, a dove, fire and the colour red and we all worked together to create a collage of flames.

Summer Concert

Thursday 13th July at
6:30 p.m.

Our Thoughts and Prayers are with those affected by the events on Saturday evening in London.

Mrs Bardwell as she recovers from her operation.

Buzz Workshop

On Monday Mr Gammon from Buzz Road Safety came into school to show us how to cross the road safely. He reminded the infant children how important it is to cross with an adult. The children were given work sheets for their homework. Hopefully, your child would have told you all about this workshop.

"I really enjoyed the quiz at the end." said Chloe D.

"I learnt about a lot of crossings like pelican, zebra, toucan, Pegasus, tiger, subway. I didn't know there were so many." said Samuel H.

"The talk made me aware of the dangers on the road."

"I now understand why I need to wear a cycle helmet".

Residential Trips

Some children in years 4,5 and 6 will soon be going on residential trips to PGL or France. We know this can be an expensive time for families; we have made up some packs of toiletries containing wash bag, toothbrush, toothpaste, shampoo, conditioner, shower gel, shower cap etc. If you would like one for your child, please ask their class teacher or in the office.

Mrs Nott

Class Assemblies

Class Assemblies will start at 9:15 a.m. promptly. Refreshments will be available (for a small charge) and Year 6 will be running our popular raffle. All welcome!

6th July Pear Class

13th July Apple Class
