26th All Apple class in fulltime.

28th Individual and family photos

29th Shenfield School Open Evening 5—8 p.m.

30th Welcome Picnic—PTA

Dear Parents and Carers,

Welcome back everybody and a warm welcome to our new parents, children and the new staff who have joined Hutton All Saints' this term. It has been a busy start to the term as always, but it is lovely to see the children and staff refreshed and ready for an exciting year ahead.

We have had further developments to our school over the summer holidays. New carpet has been fitted in the corridors and Pear class toilets have been refurbished, which all the children use at break time and lunch time.

I look forward to the exciting new year ahead and working with you all.

Miss J Miller

URGENT—DINNER MONEY

There are a number of unpaid dinner monies that were due by the 6th September. We have put the payment back on Gateway until Monday 12th September. If unpaid after this date, cash will need to be paid to the school office. The second payment for this half term will be available to pay from Monday 26th September.

Clubs

On Tuesday we sent out the Autumn term club timetable. **Please make sure we have responses by Tuesday next week (13th).** We then allocate places to each of the clubs, depending on these choices.

Places will be allocated on the Friday via a slip from the club leader; please note that all children are guaranteed a place for basketball and football clubs, which are run by outside agency. If your child has not been given a response for a particular club, they have unfortunately not been given a place.

Clubs will start the week commencing 19th September, with the exception of Basketball and Football which will start next week.

Reminders

When collecting your child after school, please wait in the designated waiting areas. To avoid injuries, younger siblings must wait with their parents and children must not run around the gardens or go on our outdoor play structures

Attendance

Best week ending
21.07.16: **Willow**
(now **Sycamore**)

Our 'Thoughts and Prayers' are with the Woolley family who have lost someone dear. May they have strength during this difficult time.

CAN YOU HELP?

Priority 1 on our school development plan is: to further develop the topic based curriculum and include opportunities for children to reflect on the school's Christian Values.

We would really like to provide more opportunities for the children to understand different roles in the community and the importance of **all** jobs and careers. Therefore, we are asking if any parents/carers/members of the community would visit us during an assembly to tell the children about their job, whatever it may be! We just need 10 minutes of your time to tell us: what your job entails, the skills you need, what you enjoy, career path to your job, any other information you feel is relevant. We want our children to understand and appreciate all roles people have and how they help us.

Our assembly times are 10:30/10:45 - however, if you are not available during this time we can arrange an early morning/late afternoon slot instead.

We really hope we will have lots of volunteers so the children experience many visitors (they love listening to adults other than their teachers- all of the time!).

To volunteer **PLEASE** speak to Miss Miller, the office or any of the teachers.

Miss Miller's Writing Challenge

One of the school's priorities is to improve our writing and increase the opportunities the children have to write for various purposes.

So get writing children!

- The theme this time is **'THE OLYMPICS'**. Did you watch any of the Olympics over the summer holidays? How did it make you feel? Who inspired you? What did you learn? It will be great to have some photos too!
- Remember all the skills you learn in school
- All work needs to be given to me by **Friday**

16th September.

I look forward to reading your fantastic work.

DAILY MILE

We are trying to improve our fitness in school and therefore the children will be walking or running around the field for 15 minutes a day.

Every child will be trying to better their own stamina and will not be competing against their peers but concentrating on their own fitness!
