Apple class went on a local area walk as part of their topic on Journeys and Transport. We noticed lots of different types of transport, including a fire engine, and talked about the buildings in our local area. We watched Mrs Bardwell cross the road safely using a zebra crossing and saw a bus in the bus stop. We also noticed lots of road signs and markings and thought about what they were for.

"I can see the yellow markings to show the drivers which way to go" - **Farley**

"We go to church to sing songs about Jesus" - **Thomas**

"The bus cannot just stop in the road as it's dangerous, so it has to stop in the bus stop." - **Violet**

"The school sign is a warning to stop and go slow" - **Joella**

"The lollipop lady stands by the zebra crossing and she puts up her special sign and people walk across" - **Hannah**

"Chuckles building is for people to look after you if your mum and dad go to work" - **Ronan**

Best so far:  
Pine

Last week we had a visit from Neil Kirby to update us on our link school in Kenya— The Good News Academy. He also showed us the calf we had named—'Hope' and how she was helping the community. We prayed for the school and discussed how fortunate we were to have such a wonderful learning environment compared to the classroom below.

## Fairy-tales and Fables

The Infants took part in a confidence building drama class this week, with 'Perform'. The children clearly enjoyed the session!

"It was really fun". **Grayson**

"We had to pretend to eat chocolate cake". **Evie**

"I liked it when we went to the magical forest and had to get the book back from the Red Queen". **Jake**

More details can be found on the leaflet your child was given. The nearest Perform venues are Hutton Free Church or Queen's Park Community Church, Billericay.

Your child can enjoy a free trial class at any venue.
