Sports Newsletter

2 - Spring '15

Thank you everybody for another successful term of sport!

This term I am extremely proud of our basketball team who won at the Essex Winter Games! Many of the boys have also become part of the Essex under 11 team and Reuben Potter has also made it into the Essex under 13 team! I am also delighted that we now have more girls playing in our Year 6 team.

We have entered some new events this term, including a tough cross country run round South Weald Park and a Year 3 & 4 orienteering competition. Feedback about our new clubs has been very positive - I am excited to watch a cheerleading display on Friday after seeing the girls create all sorts of wonderful formations! Our Year 4 & 5 table tennis players have become so good that they need new bats so they can progress to the next level. We will use some of our sports funding for this along with free coaching for District Sports next term.

I look forward to a great Summer Term of keeping fit at school.

- Mrs Waterman

New Clubs for Summer: Multi-skills club for EYFS & Year 1, district Sport, Infant Dance Club

Year 4 and 6 have both had fantastic success in matches at Champions Academy this term. Both teams are eager for more matches as they are currently undefeated. The Year 6 team won their tournament before Christmas which meant that they played against schools from all over Essex in the Winter Games. There was some tough competition but we were delighted to win a glass trophy and a signed basketball. I watched all the matches and was very proud of my friends' excellent play!

Tity Mlotshwa.

This term, year 5 & 6 competed in an indoor athletics competition. It was a fun and friendly afternoon which gave us a chance to work on our technique. We will have another competition (outside this time) at Brentwood County High in the Summer and also District Sports. This was a great opportunity to practise. Many thanks to Mrs Waterman who signed us up and Shenfield High School for organising a fantastic event!

Abbie Sewell

In the spring term, Year 5 & 6 played a rally at Ursuline School. We worked very hard and were pleased with how we did. We now need to work on our attacking skills and our game plan! In our club sessions, we have been playing games which have improved our defending skills. These have been really useful and we are excited to compete in more matches next term, now that the weather is improving. Thank you again to Mrs Bowtell & Mrs Vlok who have been coaching us.

Jasmine Ali

Years 1, 2, 3 and 4 have all competed in football tournaments this term. We were also able to enter a girls' team for the first time. Although we did not win any of these tournaments, I have seen some fantastic skills and teamwork. Both competitions demonstrated some great passes, goals and goal saving! Thank you to the parents who supported the teams and my volunteer coaches!

Coming up in Summer Term:

- District Sports competition
- Sports day
- Football matches

and more!

Achievements Outside School

On Sunday 8th February, Old Brentwood played a tournament in South End. We played our first tournament against Wickford. It was a close game but we beat them.

Next, we played Chelmsford. They hadn't played anyone yet so it was a tough game but we managed success!

After that we played Southend. This was a chance to get to the finals! We drew which took us to the semi-finals.

The final was against Rockford. The score was 5-5 and I scored the final goal. We finished at third place out of twelve teams which I am really proud of.

By Sam Manning—Year 4

On the 14th March I played a Judo competition at Grays. It was a tough fight. On my first fight I lost but in my second I got my confidence back. I fought seven opponents. I came second which I am really proud of. It was a good experience and I watched a four-time Judo champion.

The following day, I went back to my club and I was surprised to see another Judo champion. I did lots of training and learnt some new moves.

By Harvey Carr—Year 4
