3 - Summer '15

What a wonderful term of sport we have had this Summer!

I am delighted with the success which we have had at Basketball, our Year 4 and Year 6 team brought back the Champions Academy trophy. What a fantastic achievement after a year of exciting games. I have thoroughly enjoyed watching all the teams, including year 5, play and improve.

I hope you agree that Sports' Day was a great success. It was wonderful to watch the whole school enjoying a variety of sports and working hard to earn points for their team. Well done blue team for winning the trophy for this year. It will be displayed with blue ribbons in our trophy cabinet.

We won the District Athletics Competition! Well done do all the children who competed, I know you will be as delighted with the result as I am. We also won the Athletics Competition at Brentwood High School, a couple of weeks before.

I would like to say a huge THANK YOU to all the parents, children, coaches and staff who have been part of competitions, matches, tournaments and clubs this year. As a school we have provided the children with lots of opportunities to experience and compete in a wide range of sport. It has been a super team effort from all!

Roll on next year!
