Upcoming Christmas Events

Thank you to all those that came along to our last meeting/coffee afternoon. The next one planned is this Friday (13th) at 3.15pm. This will predominantly be about the Christmas Bazaar . As you can well imagine there is a lot of planning and preparation that goes into this event. There are many "jobs" that need doing, so if you are interested in joining our team of helpers then please come along.

Children's Christmas Shopping Afternoon

This event is held every year for the children. For those that have not experienced it before, the children are given the opportunity to buy presents for their family. The PTA have been busy buying and making gifts throughout the year in preparation for this. Gifts range from £1 to £2.50 So don't forget to put a note in your diary for this date to send your child in with their spending money (max £10) in change and also a carrier bag for the gifts they buy. There will be a free gift wrapping service so that presents remain a secret until Christmas Day!

This is a great afternoon for the children, parent helpers and teachers. If you would like to get involved on the day please let me know.

With 230 children in the school, as you can imagine we need lots of wrapping paper, gift labels and sellotape for their presents! If you have any spare that you don't mind donating...please could you take it to the school office.

School Christmas Cards.

The children have been busy designing their own Christmas Cards and they are fantastic! These will be sent home with your child very soon with instructions on how to order them.
